+27 83 380 7953

Peet has been in senior positions in a number of prominent IT companies, including HP Consulting, Bentley West Management Consultants and ATS, where as a Director, he was responsible for the Risk Mitigation division. Prior to joining Aptronics as a Principal Consultant, Peet was the General Manager for Business Management Solutions (BMS), a consulting house based in Dubai UAE.

He has been engaged in strategic and management assignments in a wide range of industries and facilitated many workshops and training courses, including ITIL certification training, locally and abroad. He addressed various conferences on IT Governance, Security Management and Service Management, including IIR (The Institute for International Research), itSMF (IT Service Management Forum) and ISACA (Information Systems Audit and Control Association). He also published a number of articles on related subject matter, amongst others, in the Arabian Computer News magazine.

Peet has traveled widely, received awards and been nominated many times for outstanding achievements. He holds a number of certifications, including Certified Information System Auditor (CISA), Certified in the Governance of Enterprise IT (CGEIT), Certified Information Systems Security Professional (CISSP), ISO 27001 Lead Auditor, Certified Disaster Recovery Planner (CDRP) and Practical Project Management (PPM).
