

Elvis Ademba - +27 76 101-2428
elvis.ademba@bluespaceconsulting.co.za

Elvis is the founder of Blue Space Consulting Services – a technology services company, that focuses on providing solutions to maximize return on IT investment, Enterprise Security, Protecting assets, and Risk Management. He consults in the areas of IT Security, Risk, Compliance and Governance, with emphasis on developing strategy that is in line with business objectives.

He has extensive experience in both public organisations and private sectors, and has worked in different countries in Africa, including Botswana, Kenya Rwanda and South Africa.

Elvis is a certified MCSE, CCNA, CISSP and CISA professional and is currently pursuing his masters in business administration (MBA).

He also holds a Bsc. Degree from the University of Nairobi and a post-graduate diploma in business administration (PDBA) from Gordon institute of business science (GIBS).

His recent addition to Blue Space Consulting Services is the identifying, initiating and managing information security awareness campaigns for organisations, including:

- IT GRC – Governance, Risk and Compliance
- IT Security Services
- IT Compliance Audits & Assurance
- IT Risk Management
- Information Security Awareness
